

STRATER HOTEL PARKING

The Strater Hotel was constructed before the automobile was widely used for transportation. We have three free parking lots conveniently located within walking distance of the hotel. We encourage you to park directly in front of the hotel to check in. Upon check in, our staff will supply you with instructions and a parking permit for your vehicle. As a guest of the hotel, please avoid parking at the metered spots adjacent to the hotel. You will be ticketed by our enthusiastic meter police.
