THE STRATER *Experience*

The Strater Hotel is Durango Colorado's living history museum.

With 88 unique and storied rooms; three fabulous restaurants and bars, including the only authentic western saloon; and the Strater Cares health and safety program, The Strater is ready to make your event a memorable experience. People travel from around the world to see and enjoy the magic that is inside this iconic Durango landmark. Shadow boxes that tell stories of the past; the world's largest collection of Victorian walnut antiques; and the Strater team's genuine connection to every guest — make events at The Strater extraordinary.

We welcome you to *The Strater Experience*.
