

# PET POLICY

We at the Strater Hotel want ALL of our guests to have an amazing and pleasant experience. If you are bringing your tail-wagging canine furry friend with you, we welcome you to our pet friendly rooms, as long as you agree to these policies:

- There is a maximum of 2 dogs allowed in your room.
- The Pet Fee Per Room is \$25 per animal. \$25 for one dog. \$50 for two dogs.
- Dogs are welcome as long as they are 35 pounds or less.
- If your pup(s) exceeds 35 pounds, you will be charged an additional \$50 each night your larger dog is in the room.
- Dogs are not allowed in the public areas unless they are service dogs.
- You must have your dog kenneled or leashed if you are bringing your dog outside as it is important to limit other guests' interaction with your pup(s).
- You may not leave your furry friend(s) in the room at any time without your supervision. If you must leave your dog(s) unattended in the room, they must be in kennels. Service animals should never be left alone in a room.
- If your dogs cause any noise or nuisance related issues anywhere on the Strater property, you may be asked to vacate the property along with your dog, and yet still be liable for the room rental.
